Dear Mr. Robinson:

RE: Notice of Intent to Commence Small Mining Operations; Utah State Building
Stone/Limestone Lease ML 45951; S/033/003

I have reviewed your notice and find it complies with our notification requirements. You may proceed with operations as outlined in your plan dated September 23, 1993, with the following stipulations:

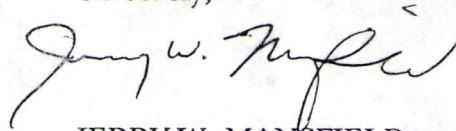

1. All surface disturbance resulting from your operations on the leased lands will be fully reclaimed to the satisfaction of the Division of State Lands and Forestry and in compliance with the State of Utah Mined Land Reclamation Act.
2. Compliance with the State of Utah Antiquities Act forbidding disturbance of archeological, historical, or paleontological remains; and immediate suspension of operations and notification of the this agency, as well as, the Division of State History in the event such remains are encountered. A consultation with the State Historic Preservation Officer concerning this area may be required by your agency.
3. Granting this approval does not alleviate the necessity to comply with the requirements of the Division of Oil, Gas, and Mining regarding this development. You must contact them and comply with their requirements before beginning any work. Their address is: Division of Oil, Gas, and Mining, 355 West North Temple, 3 Triad Center, Suite 350, Salt Lake City, UT 84180-1203.

4. Our Division rules require a surety bond be posted to insure reclamation, as well as, compliance with all other lease terms, in the case of this operation the required bond will be \$5,000. As you are a sister state agency, no bond will be required at this time.

Sincerely,
